Dear Students

Hello. Hope you're fine.

5th session

Page 9.

3. Grammar

Please study conversation, page 8 again.

As you studied the conversation before, you got familiar with **Zero conditional** sentences. The following sentences are from the conversation:

I **eat** when I'm nervous.

A lot of people **eat** when they **are** nervous.

What **do** you do if you **have** a really important exam?

Please study zero conditional sentences in order to be able to have a conversation at the bottom of page 8

As you know zero conditional sentences describe things that are general. (They are different from conditional sentences type 1, 2, and 3.):

If I really **have** a really important exam (if clause), I study a lot (main clause).

As you see, in zero conditional sentences the verbs in both sides are in present tense.

Task 8. Do exercise section A, then write some sentences related to section B.

مهم: لطفا زین پس نوشته های خواسته شده برای این درس یا واژه شناسی را در فایل ورد تایپ کنید و سپس پی دی اف کرده و هر دو فایل یعنی ورد و پی دی اف را ارسال نمایید تا بتوانم روی فایل ها کامنت بگذارم.

Task 9. (Page 9, 5. Speaking). Choose 1 question, ask the question at the beginning of your file and answer it, record it and send it to your class representative Ms. Asheghloo.

Task 10. Now go to the conversation page 8. Work in pairs. Make a new conversation with your classmate in WhatsApp and take screen shot and forward it to Ms. Asheghloo.

This is your art to have this valuable cooperative learning and presentation in doing this task (10). 😊

GOOD LUCK
